DragonRidge Country Club is the ideal location for your next event with eight (8) unique venues.

The Executive Conference Room accommodates up to 20 people

This room is certain to impress the most discriminating clients. The Executive Conference Room is ideal for meetings, luncheons and dinners. The room features a custom conference table, leather swivel chairs and an incredible view of the Las Vegas valley.

The Dragon Grill

accommodates 100-125 people

The Dragon Grill is a versatile room with comfortable elegance and phenomenal views of the Las Vegas Strip.

The Onyx Bar

accommodates 60-80 people

The Onyx Bar derives its name from the onyx stone bar top that sets the ambiance for your event. This is an ideal location with adjoining patio overlooking the 18th green and view of the McCullough Mountain Range.

The Montrose Room

accommodates 80-90 people

The Montrose Room is the formal dining room at DragonRidge Country Club. The understated elegance is perfect for any occasion with magnificent views of the Las Vegas Strip. *The Onyx Bar and Montrose Room may be used in conjunction for any event.

The Grand Highlands Ballroom

accommodates 340-500 people • 5,040 square feet

The Grand Highlands Ballroom offers spectacular panoramic views of the city from its balconies and windows. Unique features of the ballroom include a cherry wood custom inlaid dance floor, copper cork and mica rock wall coverings, custom carpet, cherry wood bars, square dining tables, lumbar fitted banquet chairs and an eight foot retractable screen. Audio visual equipment is available for presentations.

The DragonRidge Card Room

accommodates 40-60 people

The Card Room is a private room located on the ground level, accessible from both the clubhouse and pool area.

The Pool

accommodates up to 300 people

The granite waterfall and lush greenery sets the mood for fun and relaxation at the Pool. The fitness facility, refreshment center and clubhouse are just steps from the pool.

The Driving Range

accommodates up to 1,000 people

Located south of the clubhouse is the Driving Range. The golf course was designed by Jay Moorish and David Druziky

utilizing the dramatic elevation changes throughout the canyons and mountain range. The Driving Range mirrors the golf course in design and impeccable condition. It is perfect for concerts, tradeshow, picnics and weddings.
